

Pinnacle Chess Academy provides high quality instruction and professionally run competitions for young chess players of all skill levels. Founded by Gagan Chitkara, Delhi's premier chess coach, the academy offers a wide range of activities for school age children. Any boy or girl can become a competent chess player with the proper program of instruction.

The comprehensive course created by Gagan Chitkara does exactly that, giving each student the precise material they need at every stage of their development. The training method used at the chess academy is a proven system that has consistently produced the finest results. One reason the program is so successful is that it gives the student the correct balance between study and practice, laying a solid foundation for future development. With its long history and worldwide popularity, chess occupies a special place in modern culture. By combining elements of art and science, it is the perfect activity for developing logical thinking in young minds. The Pinnacle Chess Academy aims to meet the specific needs of every student. Our goal is not only to improve their level of play, but also to enhance their enjoyment of the royal game.
