OCTOBER - DECEMBER EDITION

MESSAGE FROM THE PRINCIPAL

Dear Parents,

As we progress through the school year, it becomes increasingly important to emphasize the value and significance of discipline in the lives of students. Discipline is not merely a set of rules to adhere to; it is a vital aspect of character-building that prepares our students for success both academically and in their personal lives. Discipline is the key to establishing a structured and supportive learning environment. When students embrace discipline, they learn valuable skills such as self-control, time management, and organization. These skills are crucial for maintaining focus, completing assignments, and achieving academic goals. By instilling discipline in our students, we are equipping them with the tools necessary to excel in their studies and prepare for future challenges.

Furthermore, discipline plays a pivotal role in fostering good behavior and positive social interactions while promoting self confidence and character development. It helps students develop a sense of responsibility for their actions and understand the consequences that come with making poor choices. Discipline encourages students to think before they act and make decisions that align with their values and goals. At Aadyant we instill in students discipline which helps them to prioritize their tasks, respect their peers and teachers, and contribute positively to the overall school community, thus enabling them to set and attain realistic goals, persevere through obstacles, and develop resilience. These qualities not only benefit them during their academic journey but also during their transition into adulthood. We, at Aadyant school, strive to create a disciplined and nurturing learning environment for our students. Wishing you all a Merry Christmas and a Happy New Year !

'Discipline is the bridge between goals and accomplishments'

- Dan Shechtman

Parent Testimonials

Thank you for your valuable feedback of Pre Nursery Class Presentation

A heartfelt thanks to school for putting in the efforts to teach these little munchkins the dance steps and the actions. The confidence you are instilling in them in their early years, not only today, but in their everyday activities, will go a long way.

Congratulations to the teachers and the Aadyant team . It's was wonderful celebration in the school that kids performed very well . Good energy and Good expression!!! Lovely choreography and song choice. Thank you so much.

Kayra Samayra we're very excited to perform Thank you soo much ma'am for all your efforts that you put in our children Soo much efforts and hardworking gets into this .. we all are very grateful to you Thank you soo much ma'am It's our pleasure to be part of Aadyant family .

This newsletter gives you a peep into the world of teaching and learning at Aadyant. We, in this edition, focus on interesting activities and celebrations that have been conducted in the month of October, November and December.

GANDHI JAYANTI

Gandhi Jayanti is celebrated on 2nd October, every year, to commemorate the birthday of the father of our nation, Mahatma Gandhi. A special assembly was held at school to mark this important day. A few students of Pre Nursery came dressed up as Gandhi ji and his mascots See no evil (Bura mat dekho), Speak no evil (Bura mat bolo) and Hear no evil (Bura mat suno). Children were told about the life and teachings of Gandhi ji.

EVENTS

RAMLEELA

Ramleela celebrations at our school were a vibrant display of cultural richness and unity. Students of Nursery and KG classes actively participated in reenacting episodes from the Ramayana, showcasing their creativity through colorful costumes and impressive stage setups. The event not only fostered a sense of tradition but also promoted teamwork and collaboration among students. The audience was captivated by the enthusiastic performances, making it a memorable and culturally enriching experience for everyone involved.

DUSSEHRA

Celebrating festivals is an integral part of learning at Aadyant. Being a diverse country, through such celebrations, students not only learn the significance behind the festival, but they also learn to embrace other traditions and culture just like they do with their own. Keeping up to this tradition, the festival of Dussehra was celebrated. Dussehra is a major Indian festival celebrated for 10 days, it also marks the end of Navratri. Dussehra signifies the victory of Lord Rama over the demon Ravan, hence it symbolizes the triumph of good over evil. Children came dressed in ethnic clothes. Special assembly was conducted and the story of Ramayana was narrated. After the story effigy of Ravana with ten heads was burnt. The students enjoyed the serene atmosphere. Some children were attired in the costumes of Lord Ram, Lakshmana, Sita Mata, Hanumaan ji. They enjoyed various activities related to Dussehra like Pin Hanuman's tail, hit the Ravan, feed the Kumbhkaran, teer nishaane par, Hanuman whistles, crossing the Ram setu.

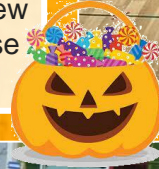

SANTA FEST

The arrival of December reminds us of the grand celebration that is Christmas. With the jingle of the bells resonating, the hum of the carols in the wind, the 'ho-ho' of Santa, and gifts and glee everywhere- Aadyant Santa fest is the signature event that brings a bagful of surprises and fun for everyone. The whole atmosphere was painted with Christmas decorations, food stalls, and thematic interiors. Caught in the whirl of fun and excitement, the visitors and the students at the Carnival enjoyed the endless sprawl of exciting games, and competitions, complemented by attention-grabbing food stalls.

HALLOWEEN

Aadyant had a fantastic and enthusiastic Halloween celebration! On this day, the children dressed up in different characters and did amazing makeup. They participated in various activities and played many games like "Ring the Witch's Hat," where they had to toss rings onto the hat, and also enjoyed games like web maze and hungry spider. The children were thrilled to see the Haunted House. The Halloween celebration gave the children a new experience, and their day was filled with these activities and lots of fun.

CHRISTMAS CELEBRATION'S

The school's Christmas celebration was a festive spectacle, highlighted by a special assembly that brought joy to the young hearts. Class Baby Birdies stole the show with an adorable dance performance, captivating everyone present. The spirit of Christmas was in full swing as the kids joyfully danced alongside Santa himself. The day was filled with laughter and games, from tossing balls to ringing reindeer, creating an atmosphere of merriment. Popcorn added a delightful crunch to the festivities, and the children adorned their wrists with festive tattoos. Santa made his rounds, spreading cheer by distributing sweets in every classroom. The students left with not just memories but also cherished Christmas crafts, making the celebration a magical experience for all.

VEGETABLE AND VEGETABLE VENDOR

During the month of October children were introduced to different Vegetables like potato, tomato, cauliflower, cucumber, ladyfinger, peas, spinach, brinjal, onion, pumpkin and capsicum. They were shown real as well as toy vegetables. They were told about the importance of eating vegetables and also washing them before eating and cooking too. They were also told about certain good habits like washing their hands before eating food and keeping their the food covered. To make the subject more interesting several special activities were also done in class like-

- .Grating of boiled potates.
- .Matching the Vegetables to their shadow.
- .Story- Mr Potato's birthday party.
- .Rhymes related to vegetables like- I like veggies ,Eat vegetables etc were also done to make the topic interesting.

Children were excited to participate in the Vegetable vendor activity where an area was setup with different kinds of vegetables, weighing scale, billing machine and dummy currency was created to give it a real feel. A teacher enacted the role of the vegetable vendor.

Each child came with his cart ,collected some vegetables and went towards the counter to purchase them with the dummy currency .

It was a funday for the kids with so much to tell their parents about it. This activity made them feel independent and also enhanced their social skills and recognitive skills.

FRUITS

"Don't judge a tree by its size, but by its fruit". Fruits are liked by many mainly for its colourful appeal and natural sweetness. They supply essential nutrients, minerals, vitamins and antioxidants, which are important for human health and well being. Fruits are an essential topic for children of all age groups. The children were enthusiastic to learn about different varieties of fruits. They were encouraged touch the fruit, feel its texture and also smell the different types of fruit. They were also motivated to name the colours of the fruits they saw, the fruits were cut in front of them to let them observe what the inside looks like. The playgroup took part in juice making activity by squeezing oranges to improve fine motor skills. The children were asked to bring Bananas to school , peel them and put the peel in the dustbin to teach civic values. They were also asked to wear yellow clothes to help comprehend the topic. A fun activity was conducted in class to further enrich their experience with the topic at hand, the children were taught how to make fruit cream. To develop the cognitive and gross motor skills, Pre Nursery played a game of "Musical Chair of Fruits" and added a new twist to the age old game to make it playful and interesting for the children.

VISIT TO THE MART

What can be more fun than going out for shopping with friends and learning along too ! Kids of class 1 and Kindergarten of our school had the opportunity to visit the Haryana fresh Mart at Vasant Kunj.

They were given the experience of spending money on their own to buy and choose fresh fruits and vegetables. The kids learnt how to buy and choose on their own. They also understood the value of money as they had to limit their purchases and could not buy everything they wanted to, giving them the understanding of the limitations we face with our purchasing power. They also got the confidence to deal with strangers, all by them selves, as just going to the cash counter and asking the cashier to do the billing was also a big activity for these small children. Overall it was a fun experience which they enjoyed immensely.

PICNIC

Aadyant School organized a fun filled educational trip to Kidzania, Noida, for the Primary Wing on 23rd November 2023.

Kidzania is a unique, interactive and a safe indoor theme park which has been created to empower, inspire and educate children through various hands-on activities. Inside, it's built like a city with paved roads, battery operated cars, proper buildings, a functioning economy with its own currency, called 'kidzos'. It provides a powerful developmental platform where the students explore and learn about the real-world occupations. It is a smooth blend of entertainment and reality. Students of the Primary Wing enjoyed understanding about real-world occupations in private services, public services, entertainment industry, airline industry and other spheres of life. Students played the role of pilot, doctor, chef, firefighter, radio jockey, archaeologist, salesman and many other professions. The excursion sensitized the students towards the value for dignity of labour. They learnt to appreciate the contribution of each member of the society. It also made them reflect upon the challenges faced by each working individual in the real world. The entire experience taught them about being responsible, independent, sharing & caring for each other. All the students returned with loads of memories.

COLOURS

Our pre nursery children learnt about the pink colour. A special assembly was organised in which they saw the mixing of colours, white and red to form pink. A class activity was organised in which the children did sponge dabbing with pink paint on the cut out of a lotus flower. Children also took a pink cupcake craft home.

Purple day was celebrated with a special assembly in which four children came dressed up in purple colour dresses, two were dressed as purple grapes, one was dressed as brinjal and one was dressed as purple flower. All the four children turn by turn came on stage and introduced themselves.

Children also took brinjal craft home. A class activity was organised in which children did bubblewrap printing on the cut out of grapes.

WINTER SEASON

Winter season is the coldest season of the year, It starts from November and lasts till February. Children were introduced to the different kinds of winter clothes, fruits and vegetables. An activity was conducted in classes in which children excitedly segregated the winter and summer clothes. Children were told about how to keep themselves warm.

Shedding the Weight: Embracing Bag-Free Days

In the bustling world of education, where backpacks often resemble miniature versions of adult-sized luggage, a refreshing initiative is gaining momentum – bag-free days. These designated days encourage young learners to leave their heavy backpacks at home, fostering a lighter, more mindful approach to learning. Bag-free days also encourage a more active and engaging learning environment. This shift towards active learning can enhance engagement, promote creativity, and foster a sense of joy in the classroom. As our school embraced bag-free day, it was organized on 27th October. Following activities were conducted in various classes:

NURSERY

Different games and activities were organized to reinforce concepts without books such as, 'Let's have fun with Numbers' where in children rolled the dice, counted the dots and matched it with the corresponding objects. Also, 'Alphabet Game' to reinforce phonetic sounds and 'Planting a Sapling' to provide students with environmentally conscious learning experience was planned.

KINDERGARTEN

In KG class miscellaneous fun and sustainable games to strengthen cognitive, fine motor and gross motor skills were organized..

GRADE 1

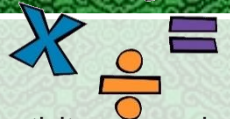

Maths: Solving Math problems through collaboration- Children were divided into groups of three and were told to come up with an addition or subtraction problem and then solve it by brainstorming together! Children also enjoyed collecting fallen leaves and twigs for 'Number in Nature' activity. Using it later to count and add to enhance their mathematical skills.

Hindi- Story-telling was done by the teacher to create awareness about life values such as sharing, caring and cooperation. Also, learning the art of happiness!

EVS- For EVS 'Let's tie our shoe laces activity' was conducted to make children self-reliant.

GRADE 2

Math's- Division activity using rajma seeds and colourful foam blocks was done to reinforce their mathematical skills through hands-on learning.

Language- 'Strolling the Preposition Path' or Preposition hurdle-course was done to reinforce English grammar and vocabulary.

Hindi- 'Extempore Speech' was done in Hindi.

(आशु प्रतियोगिता (Extempore Speech) बिना किसी तैयारी या विचार के किया या कहागया: एक तत्कालीन प्रदर्शन)

GRADE 3 & 5

Math's: Division activity using rajma seeds Fraction activity using the foam blocks was done to strengthen their mathematical skills.

Language: Reinforcement of parts of speech with the help of task cards was done. A task card is a small card or piece of paper that presents students with a specific learning task or activity to complete.

Hindi –Children were shown the Ramayana Story and were asked few questions related to it. 'Extempore Speech' was done in Hindi.(आशु प्रतियोगिता (Extempore Speech) बिना किसी तैयारी या विचार के किया या कहागया:एक तत्कालीन प्रदर्शन)

EVS- Children learned with amazement lighting a bulb with a potato through demonstration of the same!It takes a lot of knowledge about electricity, magnetism and electronics to make the trick possible.

Healthy & Unhealthy Food

Food is very essential part of life. We should learn to eat right food from very early age. In Aadyant, we teach kids the importance of healthy food and not eating unhealthy food. Different activities on both junk food and healthy food were done in the class. Kids pasted pictures of healthy food and unhealthy food on snowman. Children did worksheet and were engaged in different activities for hands on learning experience. Children were being served healthy food everyday and importance of healthy eating was also simultaneously explained to them

SOCIAL HELPERS

Little Helpers Gazette: Spreading Kindness in Our Tiny world.

Welcome to the heartwarming world of "Little Helpers Gazette, where we introduced the Social helpers, who are everyday heroes who make our community vibrant and safe, to our little ones! Role plays were done to make them know their importance. Social Helpers like Doctors, Nurse, Traffic Police and Teachers were introduced to the kids

WINNERS OF STORY TELLING COMPETITION GRADE 1

WINNERS OF SPELL BEE COMPETITION GRADE 2

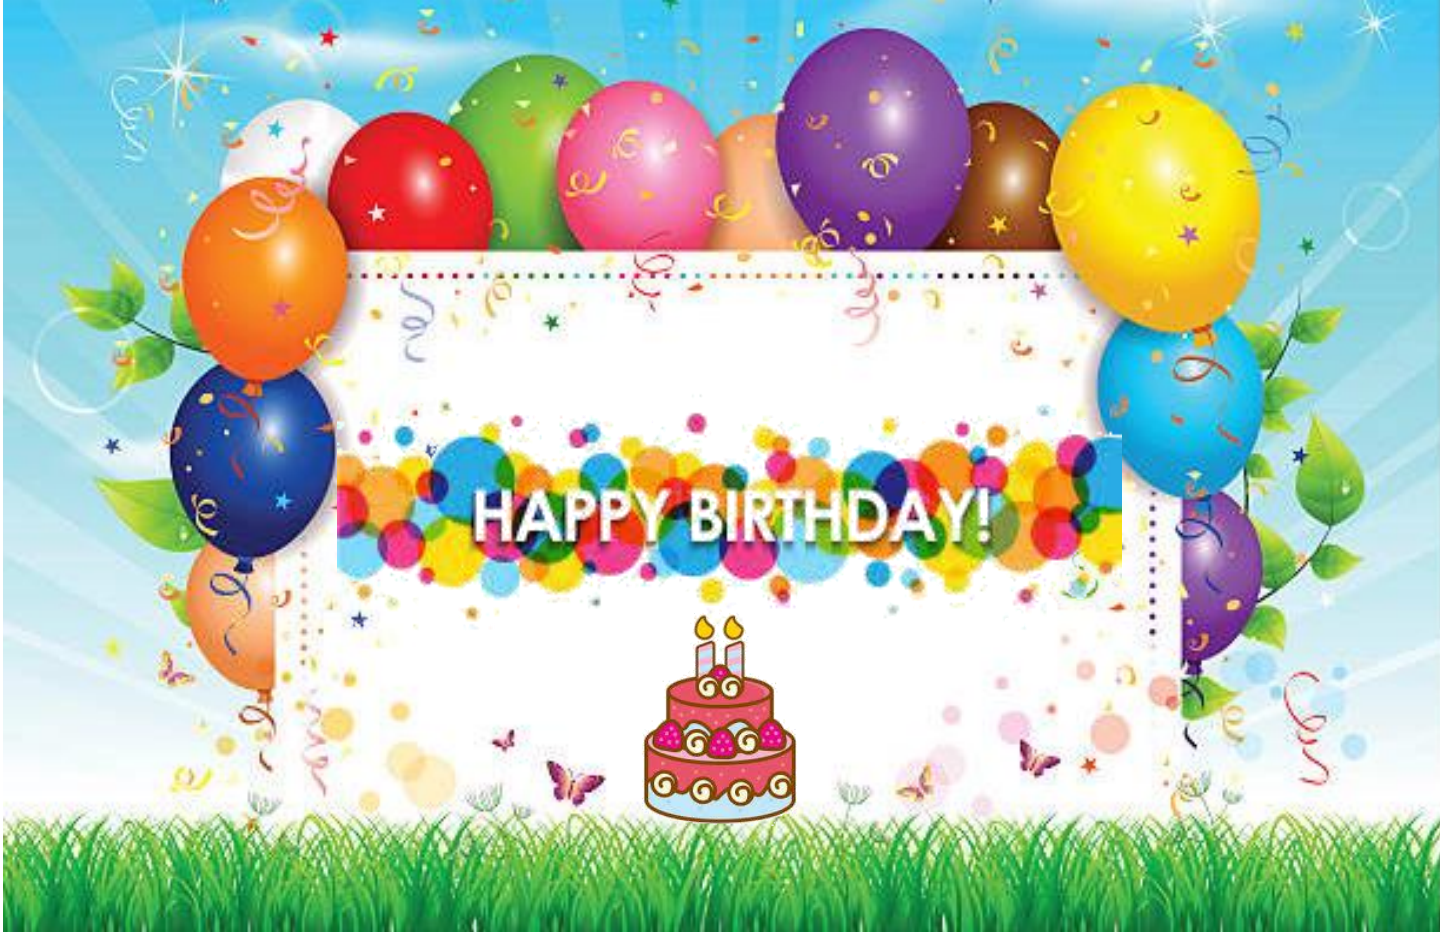

PRIMARY COMPETITIONS

Aadyant school always thrives to cater to the all-round development of their students. The main focus of the school has always been on improving different Skills amongst the students. With this intention in mind certain Competitions were held for the students of Classes 1-5. Stories always give wings to our imagination and take us to places beyond the boundaries of the physical world. Grades 1 students narrated stories using different props and presented their story with the use of facial expressions and voice modulation. The objective of the Spell bee competition for class 2 was to enhance the spelling and literary skills of children by encouraging them to explore the nuances of English language, expand their vocabulary and improve their communication and comprehension skills. Students participated earnestly in the competition. Their efforts and initiative were appreciated by one and all. To Know more about different countries of the world and exploring their Flags, Capital, Currency, Language etc, a Globe Trotters competition was held and the students really performed well by recollecting amazing facts about the places. The objective of the competition was to make the students confident with information about various countries.

CLASS PRESENTATION (PRE NURSERY)

Our Pre Nursery classes recently took part in stage presentations on various themes, including "The Clever Rabbit," "One Tree One Life," and "Quack Quack." The students put in tremendous effort and showcased their talents through these performances. It was truly a delight to see their enthusiasm and creativity shine on stage. In addition to the stage presentations, two of our classes also organized fancy dress presentations with the themes of Health & Hygiene and fruits and vegetables. The students dressed up as different characters related to these themes, which not only promoted awareness about the importance of health and hygiene but also encouraged a love for fruits and vegetables among our young learners. These presentations were a tremendous success, and the parents in attendance were highly appreciative of the efforts put in by our students, teachers, and staff. These presentations not only provided an opportunity for our students to showcase their talents but also helped them develop confidence, communication skills, and a sense of teamwork. We firmly believe that such experiences contribute to their overall growth and well-being

BIRTHDAY CELEBRATIONS IN OCTOBER

1st October - Dia
 1st October - Tahan
 1st October - Anayata
 3rd October – Seerat
 3rd October- Shanaya
 5th October – Seiginlen
 7th October – Samaira
 7th October – Gautam
 10th October – Vihaan
 10th October – Shauryaveer
 12th October – Aaran
 18th October – Mayank
 20th October – Reyana
 20th October – Ayushmaan
 21st October – Divit
 22nd October – Atharv
 22nd October - Hroon
 23rd October – Saisha
 24th October – Reyan
 26th October - Anaya

BIRTHDAY CELEBRATIONS IN NOVEMBER

2nd November – Chandrika
 4th November – Kiyansh
 4th November – Atharv
 4th November – Aahanya
 5th November – Kiara
 10th November – Kaavya
 14th November – Uday
 15th November – Advik
 15th November – Reyansh
 16th November – Shiv
 17th November – Shivaang
 17th November – Anaisha
 19th November – Varini
 20th November – Anushka
 24th November – Radhaya
 25th November – Karthik
 26th November – Amrit
 26th November – Charvik
 27th November – Shivanshi
 28th November – Ivanka
 30th November - Reenika

BIRTHDAY CELEBRATIONS IN DECEMBER

1st December – Kaashvi
 3rd December - Sitara
 4th December - Alysha
 5th December - Ivaana
 7th December - Arya
 7th December - Reniee
 8th December - Aaravi
 10th December - Alaya
 10th December - Aveer
 11th December - Aarnav
 12th December – Aban
 12th December - Anishka
 12th December - Etasha
 14th December – Kiyan
 15th December - Grisha
 16th December - Ibrahim
 17th December - Aiza
 18th December - Pranith
 21st December – Samisha
 24th December - Chitvansh
 25th December - Vihaana
 25th December – Aryan
 25th December – Neer
 28th December - Bhawya
